Green Thinking

La cartuccia Energy saving è intercambiabile con la cartuccia standard da 35 mm.

Energy Saving è una tecnologia che permette di fornire solo acqua fredda con la leva posizionata nel mezzo:

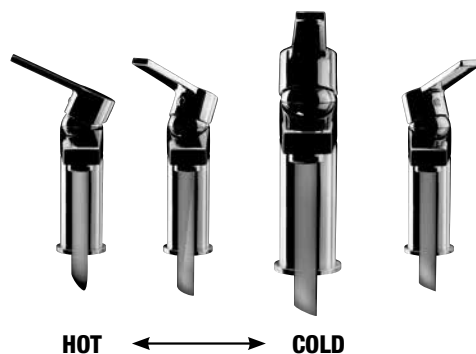

- risparmiando acqua calda
- risparmiando soldi
- rispettando l'ambiente

Energy saving cartridge is interchangeable with the standard 35 mm one.

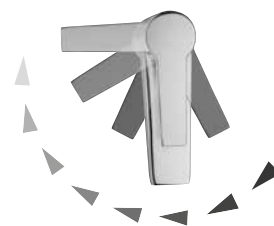

Energy Saving is a technology that allows an output of cold water only by positioning the lever in the middle point:

- hot water saving
- money saving
- environmental respect

G35 Energy Saving
